

GSP-LEGAL CODEX

“THE G-BALO STRUCTURAL & JURISPRUDENTIAL CANON”

TITLE II — STRUCTURAL STANDARDS (GSP SECTION)

Article 14 — Recognition of GSP

The Glass Substrate Protocol™ is recognized as the primary structural standard under G-BALO’s authority.

Article 15 — Scope of GSP

GSP governs digital architectural formation, but not governance, liability, or ethics.

Article 16 — Compliance

Systems may claim compliance only if certified under Sierra Certified™.

Article 17 — Structural Integrity

All systems using GSP must maintain:

- event integrity
- architectural consistency
- state coherence
- cryptographic transitions

Article 18 — Oversight

GSP is maintained, overseen, and audited under G-BALO.
